

# Canadian Automatic Merchandising Association group benefits plan

Designed exclusively for vending,  
office coffee service, and micro  
market industries

The Canadian Automatic Merchandising Association (CAMA) group benefits plan is provided and administered by Sirius Benefits. Designed for you and your teams, the plan offers comprehensive coverage options, value-added services, and most importantly provides the flexibility to design a plan that meets your specific needs.

## Quick plan setup:

Plan setup can be completed in as little as 3-5 days.

Your plan members can enjoy the convenience of online claims submission using our plan member site or mobile app. And we provide 48-hours claim processing.

## Providing a group benefits plan to your employees:

Helps you attract and retain top talent

Builds and maintains moral and company loyalty

Provides your business a tax benefit as health and dental premiums are a deductible business expense and a tax-free benefit for your employees

## Coverage includes:

Health: Prescription drugs, paramedical services including massage, and chiropractic treatments, medical supplies, and more

Dental: cleanings, checkups, X-rays, crowns, dentures, and more

Value adds:

- My Wellness
- People Connect (mental wellness program)

## The CAMA plan can reduce your premium costs:

The plan is fully pooled ensuring affordable and sustainable premiums
