CAMA Insurance Program

Western Financial Group is delighted to partner with the Canadian Automatic Merchandising Association to provide its members with a specialized commercial insurance program that offers best-in-class coverage and significant value-added services.

Our focus is to provide your business with a sustainable insurance program that fits their needs while also delivering tools and strategies that allow them to properly manage their unique risks.

Program Advantages

- Dedicated in-house insurance advisors who provide day-to-day support at any time.
- Annual insurance reviews.
- 24-Hour claims support services.
- Service for Quebec through our Laval office.
- Competitive rates and coverage.
- Backed by one of Canada's largest insurance companies.
- Risk management program development & services.

To better serve our clients, we have a dedicated team of specialists devoted to providing exemplary service to members of the CAMA Insurance Program.
